Foreword from Principal

We, at Bakhtawar Amin College of Rehabilitation Sciences (BACRS), do not only believe that future professionals should be knowledgeable, responsible, and ethical but we also strive to inculcate in our students an appreciation for the meaning of service, a love of learning that will stay with them throughout their professional lives and a sense of duty towards their patients, colleagues and community. Physical Therapy & Rehabilitation is an important and integral part of modern healthcare. The focus of our programs is on evidence-based learning and development of skills. These programs at BACRS aim to provide a broad, rigorous, and flexible foundation that will enable students to reach their highest potential, academically and practically.

Come! Join us in creating medical history. We welcome you to Bakhtawar Amin College of Rehabilitation Sciences (BACRS), an institution which has a dedicated faculty, a great campus, and an excellent learning environment. We promise you an enriching, exciting and fulfilling learning experience and assure you that you will revere your career decision to be a Physical Therapy or Rehabilitation professional.
